

DRIVING INNOVATION

2018 BUILT FOR OPPORTUNITY EVENT

WHAT'S THIS ALL ABOUT?

Our Built for Opportunity Supplier Appreciation event is designed to encourage networking among our partners and the companies with whom they work.

It introduces both diverse and non-diverse firms to our estimating/procurement, business development and engineering teams, as well as to some of our top customers and tier suppliers.

We do this in an effort to create a more varied and diverse market of qualified subcontractors, vendors and trades people with which to do business.

WHAT'S IN IT FOR ME?

Learn about your peers, suppliers and upcoming bid opportunities while networking with:

- Walbridge Tier Suppliers
- Walbridge Clients
- Walbridge Estimating and Procurement Teams
- Diverse Certifying Organizations

WHERE DO I PARK?

Parking will be available at 1902 St. Antoine Street, Detroit, Michigan, 48226. The parking garage is connected to Ford Field's second floor atrium.

WHAT DO I BRING?

Attendees are invited to bring anything they deem worth while to pass along to exhibitors. This includes brochures, business cards, handouts, etc. Dress for the event will be business casual.
